**Disclaimer:** The North Dakota Department of Health, Division of Waste Management, maintains this list solely as a service to North Dakota generators. The list may not necessarily be a complete list of available services. The Division of Waste Management, by providing the list, does not endorse specific vendors. The list does not represent whether these vendors are or are not in compliance with applicable laws. The Division also advises generators to evaluate the services and compliance status of any vendors they use to manage their wastes. The Division of Waste Management periodically updates this list, but if further information is needed, contact this office at 701.328.5166.
